Nagashima Ohno & Tsunematsu

Announcement regarding COVID-19 Infection

On July 26, 2020, a member of our Tokyo office (Marunouchi, Chiyoda-ku) was confirmed positive for COVID-19.

In response to this confirmed case of COVID-19, we consulted with the relevant public health center, and took measures such as disinfecting the office floor on which the infected person was working.

In addition, currently, our lawyers and staff are mainly working from home. The infected person was last in the Office on July 17, and was not in close contact with anyone.

We will continue giving the highest priority to preventing the spread of infection both inside and outside the Office, and to ensuring the safety of our lawyers and staff, clients, and other stakeholders. We ask for the understanding of our clients and stakeholders.
