SUMMER INTERNSHIP PROGRAM 2026

We welcome and invite all third-year law students at Thai universities to apply for the summer internship program. By joining our summer internship program at the Bangkok office, students will have a chance to work with our dedicated legal teams, gain invaluable experience through working in high profile cases in a variety of legal practice areas, and can gain more knowledge through various educational activities, including internal office study sessions.

Internship Period
June - July 2026

Application accepted until
5 October 2025
